DENIAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application  
and do hereby deny the same on grounds that it was filed before the Small's  
(Edgewood) Creek Decree became final; that the application was to change  
the point of diversion of Proof 02388 in the amount of .25 c.f.s. whereas  
that the actual amount of water decreed to the Placerville Lumber Company  
by Proof 02388 was .18 c.f.s. maximum diversion, 32.4 acre-feet per annum.

WITNESS MY HAND AND SEAL this
